At the end of each course students will receive a **certificate of attendance** corresponding to the course level attended, called **ADA certificate** (Dante Alighieri Certificate). The ADA certificate, the same and unique all over the world, is traceable and certifies

attendance at the courses belonging to Dante Alighieri's curricular programme, ADA's **course plan**, according to educational experiences and teaching quality constantly monitored by PLIDA's Scientific Board.

## WHAT IS ADA'S COURSE PLAN

ADA's course plan is the curricular and educational planning system of the Dante Alighieri Society. It has been designed and developed as a planning and educational tool for Dante's Italian Language Schools, its Committees in the world and for all the institutions offering Italian courses to foreign people.

The plan describes all the contents which, when handled properly from an educational point of view, aim at developing the student's linguistic competence on a given level. ADA covers the six levels laid out in the Common European Framework of Reference for Languages (CEFR) (A1, A2, B1, B2, C1 and C2).

The Italian Language Schools are PLIDA certification centres. The PLIDA (Dante Alighieri Italian Language Project) Certificate confirms competence in Italian as a foreign language. It is a certificate recognised by the Italian Ministry of Foreign Affairs, the Ministry of Labour, and the Ministry for State Education, Universities and Scientific Research. The PLIDA exam allows foreign students to enrol in an Italian University at special conditions.

The PLIDA Certificate is issued by the Dante Alighieri Society and is recognised by the Italian Ministry of Foreign Affairs, the University “La Sapienza” of Rome, the Ministry of Labour and Social Policy, the Ministry for State Education, Universities and Scientific Research and by the Ministry of the Interior to obtain the long residency permit. The Dante Alighieri Society is founding member of the CLIQ Association (Quality Certificate of Italian Language – Convention between the Italian

Ministry of Foreign Affairs and the Certification Bodies).

The PLIDA certificate allows:

- to indicate the students' Italian language knowledge in the most transparent way on his/her curriculum vitae;
- to enrol in an Italian University without having to take the Italian language exam (level B2 or C1);
- to obtain the long residency permit. (Those who submit the PLIDA Certificate of A2 level [or B1, B2...] shall be exempted from the language tests organised by the Prefectures);
- the citizens of the Trentino-Alto Adige Region to be exempted from the Italian language tests for the bilingualism certificate.

To know more about the PLIDA certificate, please visit [www.plida.it](http://www.plida.it)
